Tells Why Russian Troops Did Not Leave Manchuria.

St. Petersburg, Oct. 12.—An official announcement has been issued stating that the reason that Russia did not evacuate Manchuria, October eighth, was that large numbers of Chinese had recently joined the Manchurian brigands and are making depredations on the towns. Russian troops, says the announcement, are needed to protect the peaceful inhabitants.

KOREANS AND CHINESE

Indulge in Number of Frontier Engagements.

Vladivostok, Oct. 12.—Telegrams received this morning state that Korea is in a greatly disturbed condition. A number of fights have occurred between Koreans and Chinese along the frontier. Japan, the telegram adds, accuses Paveloff, the Russian minister at Seoul, of fostering these troubles with a view to giving Russia an excuse for intervention.

That the Japanese Have Occupied Korea, by Admiral Alexiff.

Berlin, Oct. 12.—The St. Petersburg correspondent of Koelnische Zeitung writes that according to a telegram received from Port Arthur, Admiral Alexiff, stating that the Far East, has caused a contradiction of the reports that Japanese troops have occupied Korea. FRAUD SUSPECTED.

Insurance Companies Investigating Alleged Murder.

Chicago, Oct. 12.—Earl Ellsworth, aged 24, was arrested here today as the result of an alleged confession which detectives obtained by pretending to be his friends. Eighteen months ago at Woodstock, Ill., Benjamin Ellsworth, Earl's father, finding his wife in company with Amos Anderson, shot and killed both and then, according to Earl, committed suicide. An insurance company, being liable for \$5,000 insurance, decided to investigate further.

The talk which young Ellsworth had with the detectives is said to have cleared Ellsworth's mother of the charge of faithlessness and to have left open to doubt the statement that the senior Ellsworth killed himself. It is said there was a conspiracy to obtain the insurance money, Earl and two prominent citizens of Woodstock being involved and that young Ellsworth's alleged conversation with his supposed friends leaves open to grave question the statement that the killing of Anderson and Mrs. Ellsworth was by the elder Ellsworth.

HEAD CAUGHT IN ELEVATOR.

Brattleboro Boy Narrowly Escapes Having His Head Cut Off.

Brattleboro, Oct. 12.—Johnny Manning, the 15-year-old son of James Manning of Clark street, had a very narrow escape from decapitation and death just before 3 o'clock Saturday night.

The boy was employed in the wholesale department of Dunham Bros. shoe store and at the time of the accident was at work near the elevator well on the second floor. The elevator was at the third floor. Some one in the basement rang the bell and started the elevator downward. The boy did not know that the elevator was above him and put his head through the grate, between the horizontal slats to see what was going on below. He did so the elevator caught him on the back of the head. He drew his head back as much as possible and the pressure against the grate sprang the grate enough to avoid cutting his head off, although he received a bad cut extending from one ear to the middle of the throat, also a scalp wound on the back of the head. He was carried home, and a physician administered chloroform before sewing up the wounds.

Novelties in Seedless Fruit.

A small box of California seedless plums has been received by one of the leading Philadelphia fruitmen, the first of the kind ever perfectly grown and ripened, says the Philadelphia Press. They were of large size, of a deep blue color and said to be delicious in flavor and quality and were promptly sold at a fancy price. It is said that a seedless plum will be one of next season's novelties, and satisfactory experiments and hybridizing are now being conducted by some of the largest fruit growers in the south and west. Seedless watermelons, apples, peaches, pears, plums, grapes, strawberries and blackberries are promised for the next year's markets. MURDER IS ALLEGED

Ephraim Root of Brandon Killed.

ON LONELY MOUNTAIN

Man Named Dean Arrested on Suspicion—Believed a Woman is Involved.

Brandon, Oct. 12.—Ephraim Root, aged 40 years, was killed near the Green saw mill half way up Rochester mountain last night. A man named Dean has been arrested on suspicion, and it is believed that a woman is involved in the case. Root was badly bruised.

The saw mill is in a lonely place. Root was employed at the mill. The authorities are investigating.

RELEASED WITHOUT TRIAL.

Cases Alleged to Have Been Frequent in Burlington.

Burlington, Oct. 12.—John Black was arrested last night before Justice F. G. Webster for intoxication and was fined \$5 and costs. Black and Henry Winterbottom were arrested Saturday by the police for intoxication. Sunday they were released from jail, without having a hearing or a trial, upon orders from the police office. As far as could be learned yesterday, Winterbottom had not been given a hearing. When Black was released he was instructed to go and see Mayor Burke. This is not the first time that intoxicated men have been released from jail without a trial, as such instances have occurred within the past few months. The authority of anyone to release a man without a trial after he has been locked up on a criminal charge is questionable.

WILL FIGHT LICENSE.

State Sunday School Convention Likely to Take Action.

Burlington, Oct. 12.—It is probable that the coming State Sunday School convention will take some action by putting the stamp of disapproval upon the present liquor law and will plan some sort of open campaign against the liquor traffic in general. Nearly 400 delegates are expected to attend the gathering and some time will be devoted to the discussion of this important question. It is possible that the convention will assist the Anti-Saloon League in its efforts to repeal the present law. At all events the Sunday schools of Vermont will be a powerful factor in the fight against the open saloon the coming campaign.

SLANDER CASE DELAYED.

Another Trial Has Been Placed Before It in Circuit Court.

Rutland, Oct. 12.—In the United States district and circuit courts today the arguments were finished in the case of Robert C. Bacon, admr., vs. the Pennsylvania Casualty Co., and the case will go to the jury tomorrow. It is probable that the slander case will be reached Thursday.

Freeman of Calais, who was indicted for an assault with intent to commit rape and who is out on \$6,000 bail, presented the affidavit of Mr. Freeman, asking for a continuance of the case because of the absence of a material witness and because of lack of time to prepare the case. A continuance was opposed by W. A. Lord, who is assisting Acting State's Attorney B. E. Bailey in this case and the court took the matter under advisement.

A nol prosee was entered in the cases of State vs. A. W. Allen and State vs. M. Mattison, keeping unlicensed dogs.

The case of Robert Murray charged with assault with intent to kill Jasper Connolly in Barre on August 23, went to the grand jury this noon. The respondent did not go on the stand but two witnesses were put on by his side.

It was alleged that Murray fired a revolver at Connolly and the former admitted firing the gun but declared that he aimed at the ground.

Derrick Went Through Roof.

Montpelier, October 12.—While B. B. Gile was at work yesterday afternoon lifting a stone weighing between five and six tons by the derrick near his stone shed, which is situated back of the Central Vermont freight house, the guy rope attached to the elm tree across the track broke, letting the derrick down with a smash on the roof of the shed. It is a heavy derrick, about 37 feet high and the strain was too much for the roof, so a large hole was smashed in it. Fortunately no one was injured.

Ridiculous in The Extreme.

Goddard's seminar has been charged with professionalism in the various branches of athletics and the friends of the institution have been to considerable trouble to prove that the charges are untrue. The whole controversy is ridiculous. The idea that an institution the size of Goddard's and of its standing in the athletic world, is hiring trained athletes, is ridiculous in the extreme.—Rutland Herald.

ROBINSON-WHITEHEAD.

Well Known Barre Young People Married Last Evening.

The interior of the house was very prettily decorated with autumn foliage. The room in which the ceremony was performed was trimmed with evergreen, autumn leaves, sunnys and ferns. The hall railing was banded in evergreen and leaves and the bridal couple stood beneath a canopy of the same.

The bride entered the room on the arm of her brother, Irving A. Whitehead, by whom she was given away. Miss Agnes Whitehead played the wedding march from Lehigh. VICTORY WAS EASY

Goddard Defeated Vermont 2nd Team.

PLAYED FINE FOOTBALL

Score at End of Two Fifteen Minute Halves Was 34 to 0—Goddard's Goal Not in Danger.

Goddard easily defeated the second team of the University of Vermont yesterday afternoon on the local gridiron by a score of 34 to 0. The lines of the two teams were about a match as regards weight but Goddard's line played a much better game and opened up good holes for her backs who were much the heavier of the two and were able to gain at will whenever they tried.

The game was too one sided to be particularly interesting except for the brilliant team work of the Goddard boys who put up the best team work she has shown for several years.

Berry, Goddard's quarter back, handled the plays well but was rather slow in giving his signals. The quarter back rush was worked repeatedly for long gains and seemed to be a puzzle to the visitors. Milne played a great game for Goddard as did also Dunham and McDonald.

Swasey, left end for the Vermont seconds, and a last year's graduate of Goddard seminary, played well and made several good tackles.

Goddard started the game by kicking off to U. V. M. 2ds. Fogg received the ball near the goal line and advanced to the 20 yard line where after three attempts to gain the ball went to Goddard on downs. Milne fumbled but regained the ball. Dunham made a good gain around right and followed by 5 yards gain by Milne. Goddard then fumbled and the visitors secured the ball.

Gerrish went around left end for 15 yards. Fogg failed to kick the center and the ball went to Goddard on a 15 yard punt.

Berry went around the end for a 15 yards gain and was downed by Swasey on the visitors 20 yard line. Dunham went around the end for 10 yards and Milne carried the pigskin over the line for the first touchdown after three successive line rushes. Cannell failed to kick goal. Score 5 to 0.

U. V. M. kicked to Connell who made a good advance. Goddard then gained steadily by end plays and two quarter back rushes to the opponents 10 yard line, where Milne carried the ball over aided by McDonald who pulled him across the line with the whole U. V. M. line on top. Cannell kicked goal. Score 11 to 0.

Goddard kicked to the seconds who immediately lost the ball on a fumble near the center of the field. Dunham gained 15 yards. Goddard lost 10 yards for being off side. Milne gained five yards, followed by 15 yards by Dunham. Milne fumbled the ball and Berry saved it. Milne tried again for five yards gain and Berry carried it within three yards of goal line. Milne scored through the line just as time was up for the first half. Cannell kicked goal. Score 17 to 0.

Second half; the visitors kicked off, Turner receiving the ball and making a good gain. Dunham gained 10 yards and Milne fumbled. White fell on it. Milne made 10 yards through the line followed by five yards gain by Dunham around right end. Berry gained 20 yards on a quarter back rush and Cannell made 10 yards through the center. Dunham went around the end for a touchdown, Cannell failed to kick goal. Score 23 to 0.

Goddard kicked off to the goal line and the seconds advanced 10 yards. Gerrish made 5 yards around left end. U. V. M. fumbled and Goddard secured the ball on the 20 yard line and after a few rushes Milne carried the pigskin over the line for the fifth touchdown. Milne kicked goal. Score 28 to 0.

The visitors kicked poorly to Turner who made a good advance. Goddard gained steadily to the second's 10 yard line where right tackle McDonald was taken back and rushed the ball over the goal line. Score 34 to 0. U. V. M. second, kicked off again and time was soon called with the ball on the visitors 10 yard line.
